Current Day is selected by default

Left and Right arrows move to previous and next week respectively

Options to move to previous and next month provided on left and right side respectively. Clicking takes to the selected month's date (in this case, since current date is March 13th, clicking February will take user to Feb 13th)

Calendar displays hourly increments

Appointments, other events and New Requests are in different colors

Each event is clickable – clicking an event opens a dialog which could allow for different user (Provider) actions based on type of event
